**AMENDED CERTIFICATE**

(Issued June 26, 2000)

On March 27, 2000, Mid-Iowa Telephone Co-op Association (Mid-Iowa) filed an application to modify its certificate of convenience and necessity by expanding its service area. Certificate No. 0058 was issued by the Utilities Board (Board) on September 29, 1992 to Mid-Iowa, under the name of Mid-Iowa Telephone Cooperative. Mid-Iowa filed a tariff identified as TF-00-105 reflecting the additional exchanges.

The Board has reviewed the filing and has approved it in an order issued concurrently with this certificate. Accordingly, Mid-Iowa Telephone Cooperative's certificate will be revised to reflect its registered corporate name and to add the following GTE Midwest Incorporated (GTE) exchanges: Baxter, Collins, Grinnell, LeGrand, Newton, Maxwell, Melbourne, Montour, Rhodes, State Center, Tama, and Toledo.

**IT IS THEREFORE ORDERED:**

The certificate issued to Mid-Iowa Telephone Cooperative on September 29, 1992, is superseded by this Iowa Code § 476.29 (1999) certificate of public convenience and necessity. This certificate authorizes Mid-Iowa to furnish land-line local telephone service in the exchanges described in its tariff.
